Mr. J. O'Connor,

Dear Mr. O'Connor,

I enclose herewith the : : four Halls in the Wimbledon district which I got out : : off Book. I was wondering if you could go round and : : if they would be suitable for a first meeting. If y : could give me particulars of the capacity and cost of each Hall or of any smaller Halls attached I could write and engage one. It would be valuable also to find out what vacant dates they have during the next few weeks.

All the best.

Yours sincerely,

Organising Secretary of the
Anti-Partition of Ireland League.
